

In our English Baking Class, students learn to make delicious snacks and desserts such as chocolate brownies, Italian pizza and fruit pastries. Students form small groups and collaborate with one another to turn the ingredients into tasty snacks. Besides, students learn to become proficient English speakers as well as building up their confidence in using English as the medium of communication. They also have a chance to expand their vocabulary by learning useful words that are related to cooking and baking. In this class, students learn to be creative chefs and have great fun in the kitchen!

Mr. Matthew is explaining the ingredients and steps!

Rolling doughs!

Can we have extra 'cheeese' on the pizza?
